Down, Out, And Under Arrest: Policing And Everyday Life In Skid Row

Synopsis

In his first year working in Los Angelesâ™s Skid Row, Forrest Stuart was stopped on the street by police fourteen times. Usually for doing little more than standing there. Juliette, a woman he met during that time, has been stopped by police well over one hundred times, arrested upward of sixty times, and has given up more than a year of her life serving week-long jail sentences. Her most common crime? Simply sitting on the sidewalkâ™an arrestable offense in LA. Why? What purpose did those arrests serve, for society or for Juliette? How did we reach a point where weâ™ve cut support for our poorest citizens, yet are spending ever more on policing and prisons? Thatâ™s the complicated, maddening story that Stuart tells in *Down, Out and Under Arrest*, a close-up look at the hows and whys of policing poverty in the contemporary United States. What emerges from Stuartâ™s years of fieldworkâ™not only with Skid Row residents, but with the police charged with managing themâ™is a tragedy built on mistakes and misplaced priorities more than on heroes and villains. He reveals a situation where a lot of people on both sides of this issue are genuinely trying to do the right thing, yet often come up short. Sometimes, in ways that do serious harm. At a time when distrust between police and the residents of disadvantaged neighborhoods has never been higher, Stuartâ™s book helps us see where weâ™ve gone wrong, and what steps we could take to begin to change the lives of our poorest citizensâ™and ultimately our society itselfâ™for the better.
