Synopsis

Become A PRO Now!!! Today only, get this bestseller for just \$8.73. Regularly priced at \$13.99. This book contains proven steps and strategies on how to easily make the most of the Pokémon Go app and have fun catching Pokémon. Pokémon Go is a new app, recently released by Niantic Inc. It has become incredibly popular within just the first few weeks of its release. Its appeal may be due to a few key qualities of the game: it's nostalgic due to its similarities to the old Pokémon games and is innovative in the use of technology by utilizing GPS (Global Positioning Systems) to track where you are and AR (Augmented Reality) by using your camera to make it appear as if Pokémon are in front of you in the real world. For these reasons, both new and old Pokémon players can be found enjoying this game. Here is a preview of what this book will offer:

This book is a brilliant Pokemon guide! I was keenly interested about knowing Pokemon game my friend told me about this book. I borrowed and read and got so much fun while reading this book

and know about Pokemon go. This is an ultimate guide, it has everything you need and much more. Whether you're a Pokemon expert or a newbie. Glad that I was able to read this book. Well-informed!

I grabbed this book immediately when I saw it. This guide is packed with a lot of detail that you need to become a master trainer in this game. I didn't expect to find such good information about it on . Pokemon go is the most revolutionary game that has come out in the last few years. This book has detail instructions about finding your first Pokemon to fighting battles. This book has taught me many things about the app. I was looking for some good information about the game Pokemon go.

Are you a Pokemon fan? Do you want to join the Pokemon Go craze nowadays? This book of Paul Jones, Pokemon Go, is the guide you will need to understand this current craze on Pokemon. This guide is easy to understand and follow. It's like giving you the general information and a step by step instructions, and explains the important information regarding every character and move you make. So if you are having difficult time understanding Pokemon Go craze, this book is definitely for you to fully understand and have a great time catching Pokemons.

Pokemon Go has become the newest and famous game recently and the number of players is currently increasing. Now what I have is a book that will help all game players or everyone who wants to start playing this game. It will provide many guides, tips, and hints all about mastering the game. This is absolutely the best pokemon go guide book for everyone. You will never regret this one! This is very interesting.

Pokemon Go is latest app that become popular in very less time. This book tell me how to create account for pokemon go, then choose character to appear. We have many options to customize avatar. Then decide pokemon and catch your target. I get knowledge of all important terms including potions, revive, poke balls, lure model, razz berries. I get tips to track and then catch pokemon. I highly recommend this guide to learn secrets of pokemon go.

I got so interested with this book that is why I never hesitate to grab it. People are so dying hard on how they could catch Pokemon and sometimes already lead to an accident. This book will going to help us on how to easily make the most of the Pokemon go app and have fun catching Pokemon. Highly recommended.

This book was able to help me to have fun playing Pokemon Go. And the most important thing that I have learn was to stay alert when playing the game and only explore places where I know itâ™s safe. An ultimate guide for those beginners who wants to learn Pokemon Go!

I was expecting a BOOK; what I got was essential a pamphlet. It is my fault, though; if I had read the whole description I would have seen that it is a mere 40 pages long. I would not have ordered it if I had realized what it was. I have learned my lesson.
